About Dot. Irregular

Dot.Irregular Media & Sound hire was established with the aim to rent out best quality event equipment services intended to provide event solutions for cooperate and non-cooperate events .

Dot.Irregular Media & Sound hire rents out audio equipment, microphones, stage lights, led light, speakers, photography, DJs and other things.

Our objective is to reduce the difference in quality event solution and affordability. We have technician that are trained in all areas of event solution to help design and prepare for an event, which enhances the quality of an event, at reasonable prices.

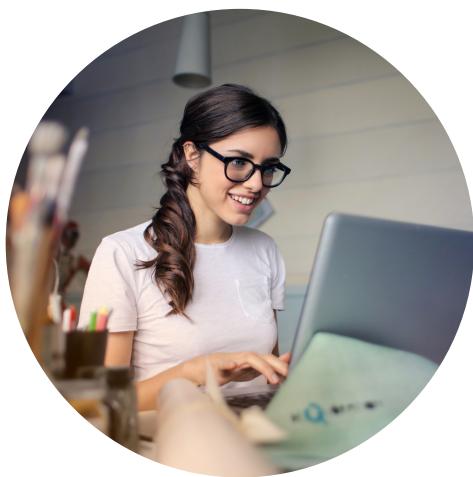

MISSION

Mission

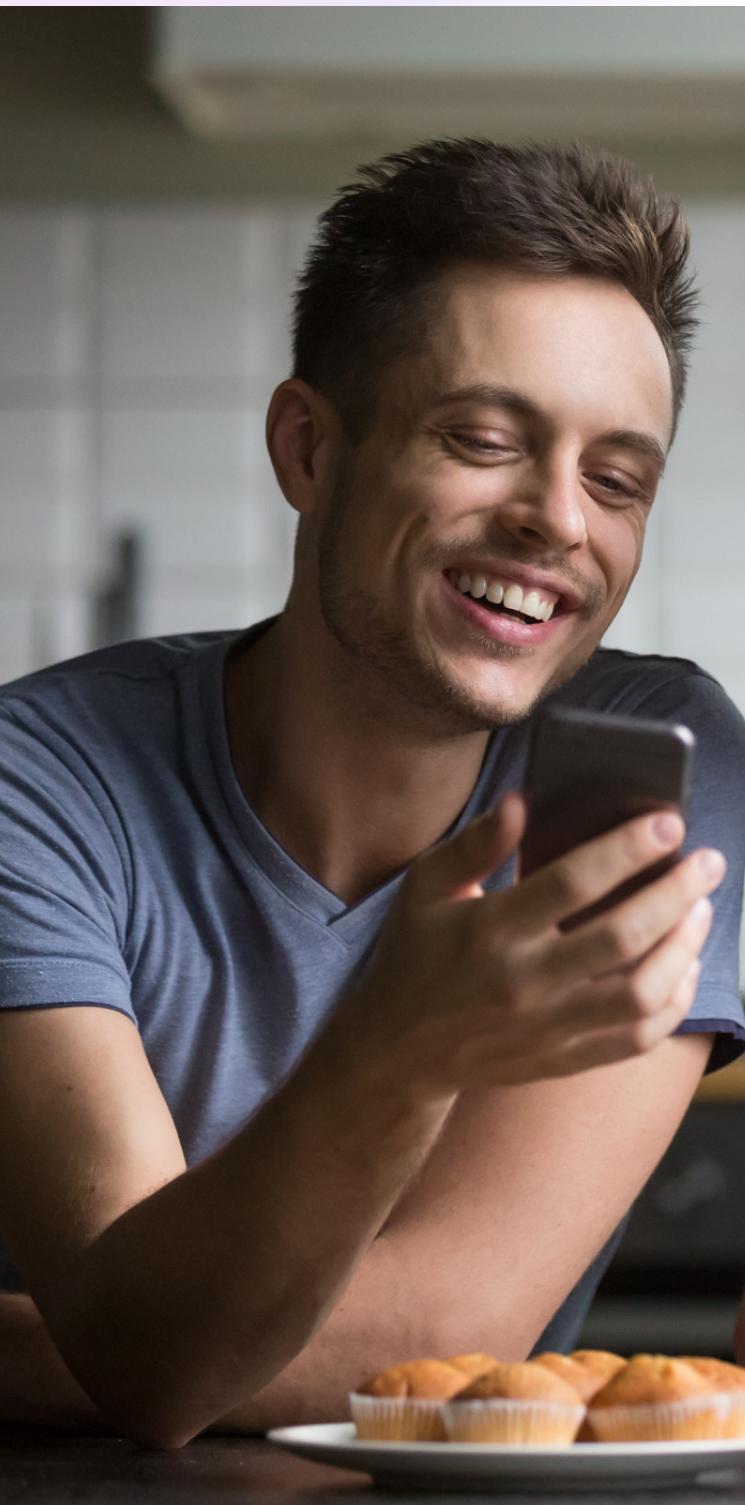

To rent in-demand event equipment for personal use, businesses and churches, in a professional manner at affordable rates without compromising the quality, through operations that are safe and beneficial to our clients and communities to ensure continued success.

Vision

Our vision is to become an event hiring equipment business that's most accessible and easiest to communicate with.

CORE VALUES

- **Integrity:**- Doing the right thing even when no one is watching all the time, every time
- **Quality:**- Delivering reliable results, compliance with industry regulation
- **Excellence:** Exceeding customer expectations, Organizational culture of excellence, and reliability
- **Innovation:** Global mindset, future re-imagined. Relevant and Real. Transformation
- **Empowerment:** A passion for client delivery, empowering our people, caring, and warm towards our communities
